Scholarship Application Information and Guidelines

All members of the Junior Rodeo Cowboys Association (JRCA) who will be attending college in the fall of 2017 or fall of 2018 are eligible for the JRCA scholarship. The applicant must have graduated high school, provided a high school transcript, as well as provided verification of enrollment at the college which they will attend in order to receive the award. Furthermore, the student must be enrolled in at least 12 semester hours. Scholarships will be paid in full upon receipt of official verification of enrollment and will be paid directly to the member. It is the scholarship recipient's responsibility to secure the verification of the enrollment document and submit it to Marcy Sessions. At least one \$2,000 scholarship will be awarded; however, more scholarships may be awarded at the discretion of the JRCA Scholarship Committee depending on the amount of funding raised during the scholarship fundraising event to be held at the JRCA Finals. Applicants are required to participate in an interview conducted by the JRCA Scholarship Committee on July 26, 2017. Should two or more contestants be deemed equally deserving of the scholarship, precedence will be placed on the older applicant(s). The scholarship or scholarship(s) will be awarded during our End-of-Year Ceremony at the JRCA Finals. Members are welcome to apply for as many years as they meet eligibility criteria. However, once a member has been awarded a scholarship, he/she will no longer be eligible to apply.
